Safety Guidelines

As set out in the “Safety Guidelines for the Live Performance Industry in Ontario” York’s H&S policy stipulates that during set up/load-in and strike/load-out the theatre space is considered a Construction Site and must follow the regulations as stipulated by the Ontario Health and Safety Act (OH&SA). As such, everyone who enters a performance space during these times (both on stage and in the audience chamber) must be wearing appropriate Personal Protective Equipment (PPE), including CSA approved foot ware (i.e.-steel toes) and a CSA approved hard hat. There are no exceptions.

Between set up/load-in and strike/load-out, the theatre will revert to an Industrial Site (as defined by the OH&SA) and appropriate PPE must be used when hazards are present (i.e. hard hats must be worn when overhead work is being done). The Performance Facilities Lead technicians(s), *Coordinator, Technical Services OR Manager, Performance Facilities* will be responsible for deciding when the theatre changes between a Construction and Industrial site.

For further information about York's Health and Safety policies and in particular Performance Facilities Health and Safety policies please contact the *Manager, Performance Facilities* or the *Coordinator Technical Services*.

NOTE: Food and drinks are not permitted in the space, except bottled water.

Capacity

Total	120

Studios are available for rehearsals or extra dressing rooms; however, they are an additional charge.

Please contact Manager, Performance Facilities for pricing availability.

Front of House & Box Office

Audience services include professional box office operations and front-of-house services. The box office utilizes the Tixhub Ticketing System, and provides ticketing services (online, in-person and by phone) for clients. Front-of-house services include coatcheck, ushering, catering arrangements and general assistance with event planning.

Box Office

The AMPD Box Office is located at York University's Keele Campus in Toronto. There are two box office locations:

Joseph G. Green Studio Box Office (satellite box office):

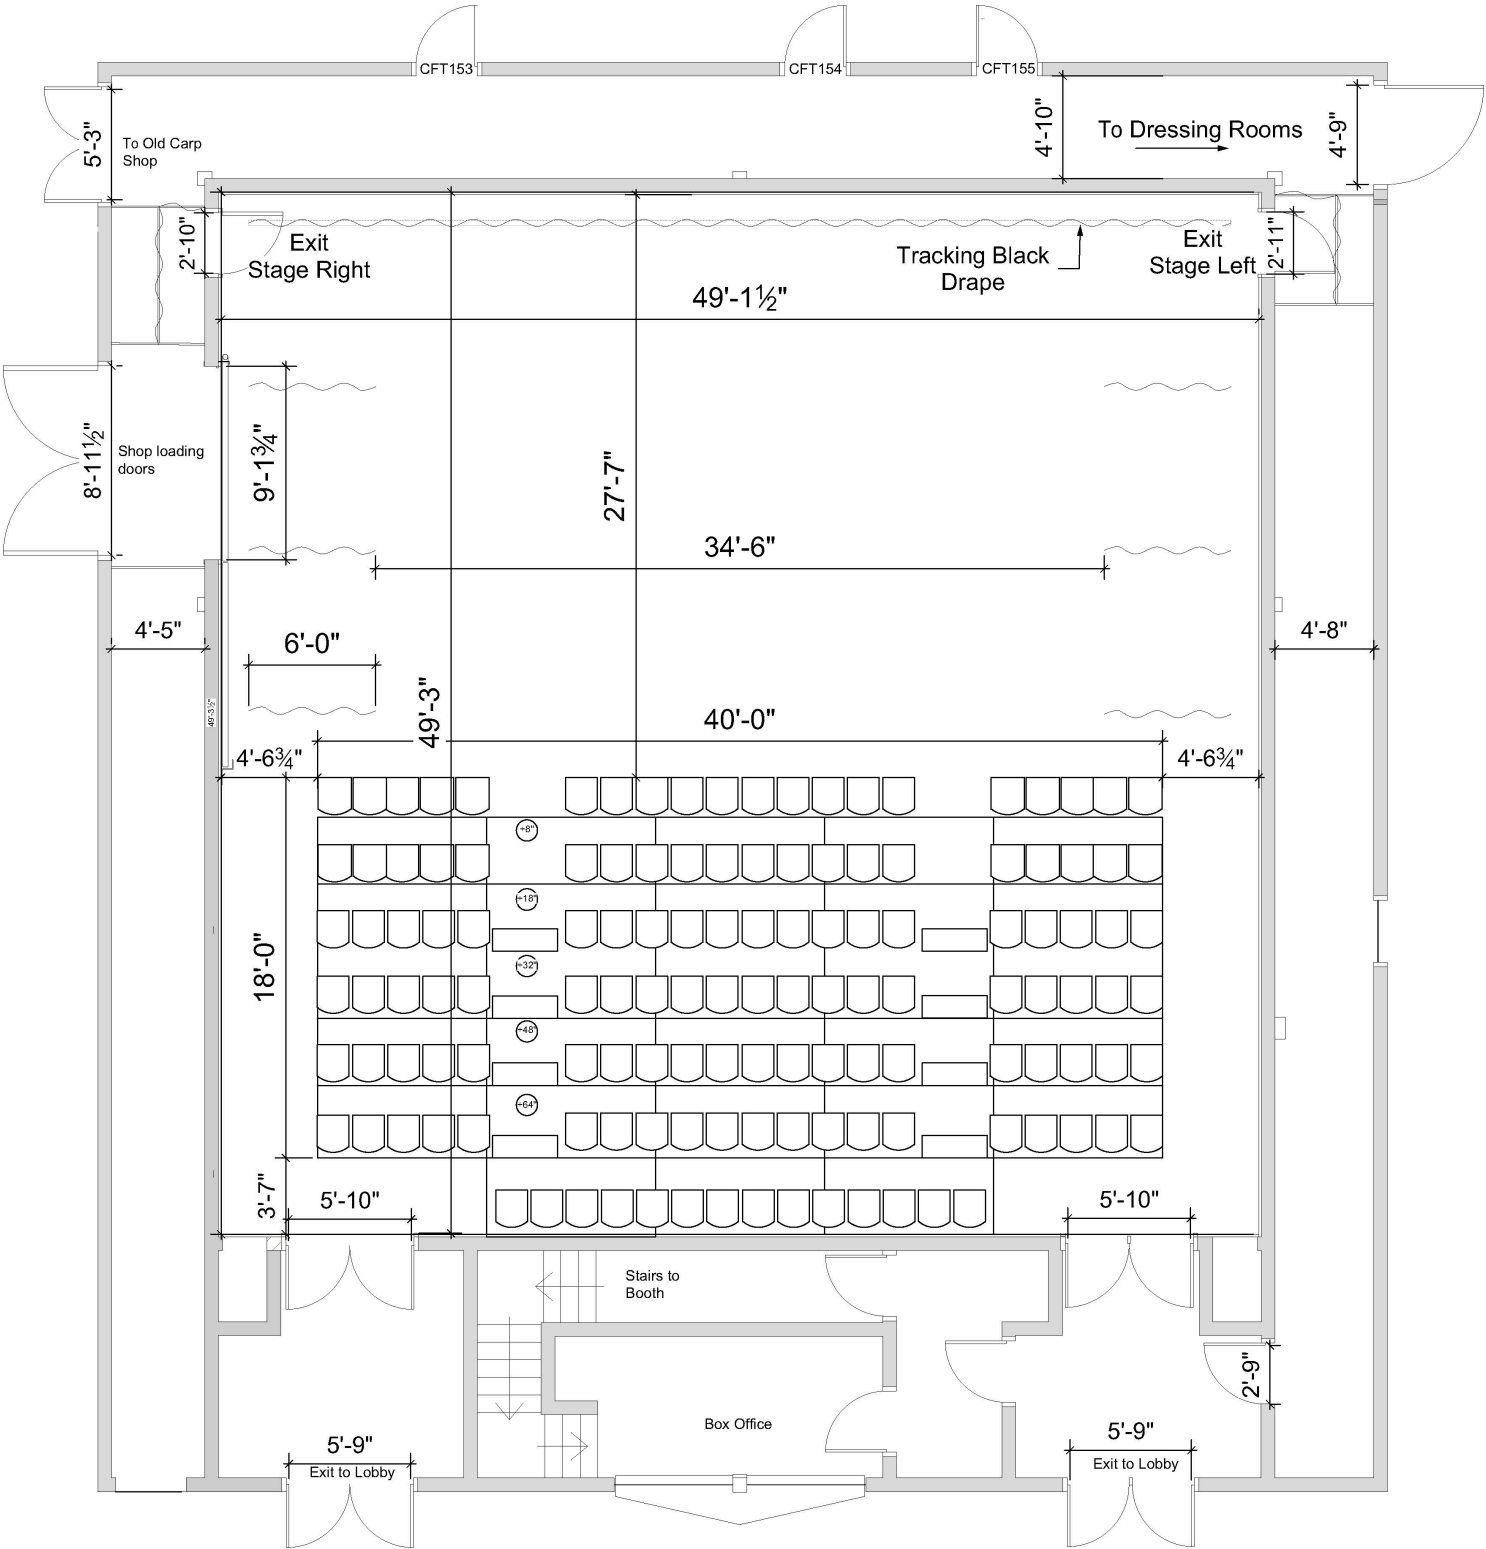

The Joseph G. Green Studio Box Office is located in the main lobby of the Centre for Film and Theatre. Tickets for all events taking place in AMPD facilities can be purchased in advance at this location.

On the day of performance, the Joseph G. Green Studio Box Office provides ticketing services for events in the Joseph G. Green Studio Theatre.

Accolade East Box Office (main box office):

The Accolade East Box Office is located in the CIBC Lobby of the Accolade East Building. Tickets for all events taking place in AMPD facilities can be purchased in advance at this location.
