Safety Guidelines

As set out in the “Safety Guidelines for the Live Performance Industry in Ontario” York’s H&S policy stipulates that during set up/load-in and strike/load-out the theatre space is considered a Construction Site and must follow the regulations as stipulated by the Ontario Health and Safety Act (OH&SA). As such, everyone who enters a performance space during these times (both on stage and in the audience chamber) must be wearing appropriate Personal Protective Equipment (PPE), including CSA approved foot ware (i.e.-steel toes) and a CSA approved hard hat. There are no exceptions.

Between set up/load-in and strike/load-out, the theatre will revert to an Industrial Site (as defined by the OH&SA) and appropriate PPE must be used when hazards are present (i.e. hard hats must be worn when overhead work is being done). The Performance Facilities Lead technicians(s), *Coordinator, Technical Services OR Manager, Performance Facilities* will be responsible for deciding when the theatre changes between a Construction and Industrial site.

For further information about York's Health and Safety policies and in particular Performance Facilities Health and Safety policies please contact the *Manager, Performance Facilities* or the *Coordinator Technical Services*.

NOTE: The Martin Family Lounge has existing tables in the room. Moving these tables or adding tables may require additional time and crew

Capacity

Standing	125
Seating Theatre Style	80
Seating Cabaret Style	45

All available video equipment is shared between venues within Performance Facilities, please contact the Coordinator, Technical Services for availability.

For more information about all available video equipment please refer to [Shared Equipment Document](#)

Live-streaming

Performance Facilities is able to support live-streaming of events and has a variety of cameras and video equipment available for use for this purpose. Please note this equipment is a **shared resource and is therefore subject to availability**. Please see our [Shared Equipment Document](#) for a full list of equipment and contact the **Coordinator, Technical Services** for availability and details regarding Live-streaming.

Performance Facilities can accommodate various streaming platforms; however, the preferred platform that the department uses is **Vimeo** which works in conjunction with the box office.

NOTE: *Live-streaming of events will require additional personnel, time in the space and equipment charges apply*

Dressing Rooms

There are no dressing rooms assigned to this venue, however there are dance studios available for use as dressing rooms or rehearsals rooms. These studios are an additional charge. ***Please contact the Manager, Performance Facilities for pricing & availability.***

Front of House & Box Office

Audience services include professional box office operations and front-of-house services. The box office utilizes the Tixhub Ticketing System, and provides ticketing services (online, in-person and by phone) for clients. Front-of-house services include coatcheck, ushering, catering arrangements and general assistance with event planning.

The CIBC Lobby is a 2,600 sq. ft. shared lobby space fronting the Sandra Faire and Ivan Fecan Theatre and the Tribute Communities Recital Hall. It includes a full-service box office and coat check area. In addition to supporting front-of-house services for the recital hall and theatre, the lobby is an excellent venue for receptions, conference registration, exhibits, marketplaces and small performance presentations. It can be booked separately for special events that may not require a full performance facility.

Box Office

The AMPD Box Office is located at York University's Keele Campus in Toronto. There are two box office locations:

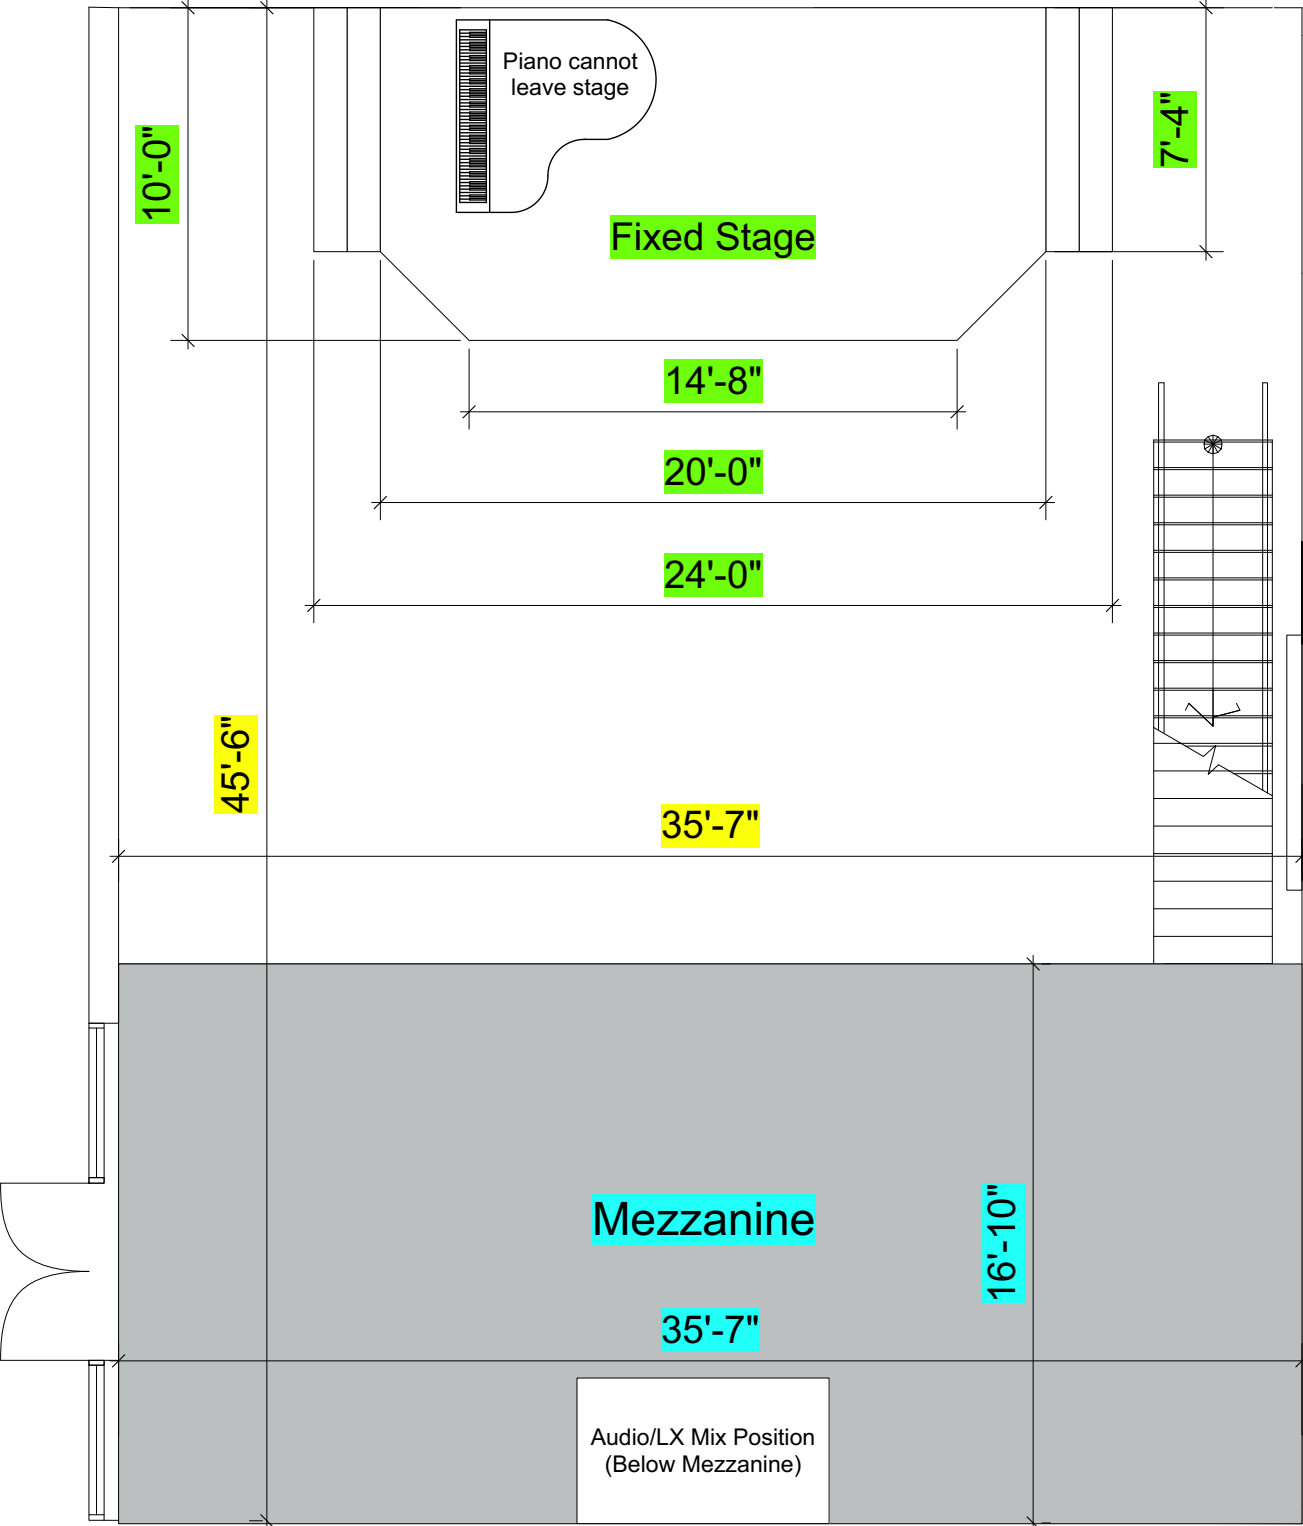

Accolade East Box Office (main box office):

The Accolade East Box Office is located in the CIBC Lobby of the Accolade East Building. Tickets for all events taking place in AMPD facilities can be purchased in advance at this location.

On the day of performance, the Accolade Box Office provides ticketing services for events in ***the Sandra Faire & Ivan Fecan Theatre, the Tribute Communities Recital Hall, McLean Performance Studio and Foster Acting Studio***. In addition, ticketing services can be provided for any performance in any studio space.
